## Part 2: Energy Performance Contracting Facilitation Workshop

**When:** 14.00 – 16.00pm, Tuesday, 13<sup>th</sup> October 2015

**Where:** Morgan Hotel, 10-12 Fleet St, Dublin 2

**Why:** This part of the seminar will be of interest to public sector organisations, local authorities, energy agencies, building managers and energy services companies who want to learn how they can develop a potential EPC project and understand what is involved in turning this potential into a real project.

### Facilitators:

*Reinhard Ungerböck, Graz Energy Agency, Austria*

*Joe Hayden, Executive Engineer, Codema*

**14.00 – 16:00**

#### Topics covered:

1. Introduction to EPC Facilitation
2. The first steps towards an EPC project
  - What EPC is
  - What EPC is not
3. Identification of potential EPC projects
4. An EPC project example
5. Added value of EPC compared to in-house solutions
6. EPC Projects – Key issues
7. How to present EPC projects to customers
8. Other available information and documents

**16.00**

**End**
